

REMARKS

Applicant respectfully requests consideration and allowance of the subject application. Claims 1-42 have been canceled thereby rendering the rejection under 35 U.S.C. § 103 moot. New Claims 43-62 are provided for examination. Applicant believes that claims 43-62 are allowable over the prior art of record. If any issue remains unresolved that would prevent allowance of this case, the Examiner is requested to contact the undersigned attorney to resolve the issue.

Respectfully Submitted,
